President Linton Duet Jr. called the meeting to order @ 6:34 pm.. Rick Demers talked about letting Mr. Kevin with Baton Rouge Coins, take over our coin shows, since no one with our club wants to take over as bourse chairman.

Rick Demers mentioned that he would no longer be able to take over our coin shows with the club as bourse chairman.

Rick Demers will still be bourse chairman of the July coin show with the help of Linton Duet Jr. for that July coin show. Rick Demers will assist Andrew Correnti and Linton Duet Jr. with the November coin show for the club.

There was a discussion to follow in which some dealers who went to the Baton Rouge show last year were not satisfied with Kevin at that particular show. After a further discussion we came to a conclusion that we as a club were not going to gain or loose from this particular deal. It was brought up that we should hold one day shows at the Knights of Columbus hall in which we could charge less for tables and possibly, the club make money due to less expense. We also talked about raffling smaller coins instead of gold coins. This will be brought up for open discussion with our members to follow.

President Linton Duet Jr. called on Rick Demers about the up coming seafood boil. Rick Demers brought up that at this time seafood is very expensive and open for other options. Mr. Bob Eddy brought up that they have Mandirian House that has a buffet with crawfish and American and Chinese food with lots of room.

On a motion by Mike Buras and seconded by CandieWatson to adjourn meeting all were in favor, motion passes. Meeting adjourn @ 7:44 pm.
