LNA Coin Show BIG SUCCESS!

The Crescent City Coin Club hosted the Louisiana Numismatic Association annual coin show Saturday July 9th and Sunday July 10th.

This year's show set a new attendance record boasting more than 600 visitors during the two-day event and setting a record of 1500 raffle sales. In fact, we ran out of raffle tickets by midday

Sunday.

The show was visited by a photographer and a reporter from The Times Picayune Newspaper who interviewed patrons and dealers

alike. "I came to the show Saturday and was so overwhelmed that I had to return Sunday" said one of the show visitors. It would be fair to say all had a wonderful time.

To the Crew—Thank You! Thank You! Thank You!

The success of the LNA Coin Show could not have been possible without the hard work and devotion of everyone who donated their time, and labor. To all of you who rolled up your sleeves and jumped in head first—**THANK YOU.**

The Mini Bourse, Back by Popular Demand

Beginning with July's meeting, we will be having a **pre-meeting** bourse. Dealers and club members are welcome to set up a bourse table and offer coins for sale to the membership at each monthly meeting. Coins will be available for sale during the club's fellowship dinner from 6:00pm to 7:00pm only. All transactions must be concluded and bourse tables covered before the beginning of the meeting. Table fees are \$6.00 for a full 8 foot table, or \$3.00 for a half table.

The pre-meeting bourse was voted on by the membership during the June meeting. The membership voiced its desire to have an opportunity to purchase coins before the club meeting. For this program to be meaningful we are encouraging our membership to come to the meetings and visit.

What's the Buzz, Tell Me What's Happening

At a meeting held on June 16, 2011, the Commission of Fine Arts (CFA) reviewed design candidates prepared by the United States Mint for the **2012 Native American Dollar**.

The Native American Dollar series began in 2009 and has highlighted the contributions and accomplishments of Native Americans on an annually rotating reverse design. The themes have been Agriculture with the "Three Sisters" method of planting (2009), Government with the Haudenosaunee or Iroquois Confederacy (2010), and Diplomacy with the first written treaty between Native Americans and English settlers (2011). The design for 2012 will represent the spread of the horse and trade routes of the 17th century.

A total of 13 different design candidates for the 2012 Native American Dollar were presented. Seven of the designs featured traditional depictions, while the remaining six were based on the ledger style of Native American art.
