A motion was made by Steve Rogers and seconded by Roger Holder to dispense with the reading of the previous months minuets. All members approved this motion.

Next on the agenda was the treasury report given by treasurer Louis Jessup. Louis informed everyone that our expenses were \$200 for our KC hall rent

and a deposit for the KC hall rent in July for our next one day coin show. Income from membership dues, auction fees, raffles and 50/50 drawings totaled \$225.80 leaving us a balance of \$10,284.33 in the kitty. We gained \$25.80 from the previous months balance. Louis informed us that income and expenses from our February coin show were not included but will be on next months report.

President Linton Duet Jr. thanked Steve Rogers and Ed Rahn for getting our coin show details and our newsletter posted on our Facebook page. Ed has been posting

some great information about coin collecting in general on our Facebook page.

President Linton Duet Jr. shared a story of meeting a judge in his area who recently inherited a large coin collection from a relative who had passed away. He asked Linton to look at the collection to see if it was worth anything as he knew nothing about coins. He produced 19 Maison Blanche shopping bags filled with neatly boxed coins of just about every variety you can imagine. Linton said most of the (continued on next page)

coins appeared to be almost uncirculated to uncirculated. Their were many coins dated from the mid 1800's thru the 1900's. He even came across an uncirculated roll of 1916 Mercury dimes possibly worth over 100 thousand dollars!! The last bag he inspected contained a large number of gold coins in above average condition. The judge told Linton he had been carrying these bags of coins around in the back of his vehicle for over 3 months! Linton suggested he contact a coin dealer to assess his collection as well as recommend he go to a bank and get some safety deposit boxes. Some people have all the luck!!

The conversation then turned to our upcoming coin show at the KC hall on April 26th. President Linton Duet Jr. informed everyone that Debbie Reed was able to get us ads placed in the Times Picayune as well as several smaller newspaper for our show. Steve Rogers was able to get some free small ads in the Gambit and the Bank Note Reporter. Linton noted the we have secured the proper permits for the show as well as police protection. Kenny Smith will ensure our trailer gets to the show site which contains our electrical supplies and show cases among other things. Rick tells us we have 13 confirmed dealers who have purchased 20 tables. That means we still have 5 tables available at a cost of \$80 each.

In new business we discussed our crawfish boil we will be having next month in lieu of our regular monthly meeting. I will be discussing this in a separate article in this newsletter. Remember, NO meeting next month, just a crawfish boil and a good time!!

We also discussed changing the way we collect auction fees from members who bring coins to our meeting to auction off. Bob Eddy reminded us that in order to do so we have to amend our by-laws in order to do so. That requires us to post a notice in our newsletter before we can make a motion for the change. That notice is a separate article in this newsletter. A vote on this will take place at our June membership meeting.

A 5 minuet break was called at 7:22 pm. before our presentation by Lloyd Harsch.

Lloyd Harsch informed members that tonight's presentation of world coins would focus on German coins. With the aid of a projector Lloyd gave a history of the German empire going all the way back to the time of Charlemagne and the various types of coinage that were used. Religion played a large part in shaping Germany from the Renaissance thru the 20th century. Lloyd brought a large number of coins from different era's of Germany's history and explained how those coins came to be based on the different rulers who were in power at the time. Everyone enjoyed the history lesson on Germany and it's many coins provided by Lloyd.

After Lloyds presentation Vice President Candice Watson drew names and numbers for tonight's membership prizes, raffle and 50/50 prize which was \$45. I'm sorry but I was unable to get the names of the winners and I will do a better job of capturing that information.

The meeting was adjourned at 8:20pm and our auction began. Since Andrew Correnti was absent tonight President Linton Duet Jr. assumed the auctioneer's duties.
