Motion was approved. Next on the agenda was the Treasurers report given by Louis Jessup. Louis passed out our monthly P&L showing that for the first time this year we were in the red. There were no membership dues collected last month and there were some late advertising fees from our last show that were paid.

## Membership Meeting September 16th 2015 (cont.)

Along with hall rental fees our expenses for last month were \$295. Income from all sources was \$143.50 giving us a net loss of \$151.50. Currently our account balance is \$11,898.78

Next up Linton reminded everyone that our fall coin show is fast approaching. It's Saturday, Nov. 14th from 9 to 5 pm at the KC hall in Kenner. We can always use some help as we start setting up around 7 am. Any member dealers who still want tables contact Andrew Correnti 985-320-4295 for more information. Since it

will be about 4 1/2 months since our last show we expect a good turnout. Remember we still have plenty of raffle tickets we would like to sell before the show.

Next item we discussed was our monthly meeting programs for 2014. We still have a few months available if you would like to give a 5 to 10 presentation on any coin or currency related topic you wish.

For tonight's presentation Mr. Nick Lagattuda gave a brief overview of the coin market today. Nick said that today's market seems to be driven by the cost of bullion. High grade coins are seeing the highest increases.

More and more coins are being professionally graded now (slabbed) than ever before. Nick said to avoid coins in "junk" slabs when buying problem coins like cleaned or scratched, etc. These coins should be bought at a discount as they are not in a reputable casing which is also being counterfeited!

Nick went on to say that people are buying common date gold than high grade slabbed gold. Proof sets are at an all time high now. Some people think that this is a good time to buy.

Do not over pay for autographed slabbed coins say's Nick, "buy the coin not the slab" Nice AU coins are a bargain and look nice in your collection. Nick reminded us that there are a lot of counterfeits out there right now so be wary when your out there buying coins. Read The Book Before You Buy The Coin!!

President Linton Duet and the club thanked Nick for sharing his insights into today's coin market.

stayed to participate in tonight's board meeting.

Andrew Correnti gave us a progress report on our efforts to stage a coin a coin in the Hammond area.

Andrew said in the past shows were held at either or the Red Roof Inn and also at the KC Hall there in Hammond.

The Red Roof Inn can handle a 2 day show (Fri. & Sat") We can begin to set up the evening before the show. All that for \$1400 but they will not have enough tables to meet our dealers needs. They will also have a block of rooms at a discounted rate, around \$45 dollars per night.

Andrew went on to say that the KC hall will more than likely match the Red Roof's rental fee and would have all the 8ft. tables we need. In addition the KC Hall can furnish food and beverages similar to what we have at our KC Hall. Fee's for tables should be appx.\$145 to \$160 per 8 ft. table. A discussion ensued next to determine the pro's and con's of having a one or two day show and decide if we DO host a two day show will it be on a Fri/ Sat. or a Sat./Sun. show. It was decided that the club would go with the KC hall and we need to enter into a agreement with the hall to secure it for our first spring show for 2016 in Hammond, La.

The agreement calls for the CCCC to rent the Hammond hall for the 1st weekend in May and Sept. 2016. Tables will be \$160 and the days will be Saturday & Sunday. We will commit for the 2 shows in 2016 with an option for 2 more in 2017. Motion made by Andrew Correnti. Motion carried by T. J. Bellanger and 2nd by Candice Watson. Motion approved.
