Crescent City Coin Club

Trading Post

The Crescent City Coin Club Trading Post is design to enhance the numismatic experience of the members. The goal of the club is to educate and entertain member numismatics. To help achieve is vision, the club as brought events to the area likes the Coin Show, Coin Auctions, Goofy auctions, Numismatic Jeopardy...

The Trading Post was developed to further hence the nature of the club. Members will be allowed to list coins in the database for a small insertion fee determined by board - remember the Club is a non profit organization. The posted coin / coins will be listed for approximately a month. The current insertion fee is \$0.25

The database is broken down into two parts. The first part is a listing of coins / numismatic items that the members would like to sell or trade; the second part is a listing of coins / numismatic items that the members would like to buy or trade for.

The database will be post to the club webpage <http://www.crescentcitycoinclub.org/> and will also be displayed at the meetings.

There are very few rules for the database because the club has found not reason to set them up.

What makes up an item?

An item is anything that makes up 1 price - Meaning 1 coin, a set of three coins, a collection of coins... One insertion fee per item listed. If the member wants to sell 3 coins at a per coin price, the member will have to pay 3 insertion fees. If the member wants to sell all three a 1 price, the member will pay 1 insertion fee. If you need more details, please ask.

How does a member list an item?

The member will have to complete the insertion sheet or provide the information via email to the acting Trading Post Keeper. Once the Trading post keep receives the insertion fee and the information on the item. The Trading post Keeper will give the posting fees to the acting Treasurer, and enter in the entry to the database.

The current Insertion fee is \$0.25 an item.

The current acting Treasurer is Rick Demers - rick@rickscoins.com .

The current Trading Post Keeper is Rafael Monzon – rafe@monzon.us or xordecatt@yahoo.com

The Trading Post Keeper will then send the database to Acting Webmaster - Eric Leonard eleochap@cox.net for posting.

Where can a member view the Trading Post?

The Trading Post Database can be viewed via the Club Webpage <http://www.crescentcitycoinclub.org/> or at the club meetings. An item to be posted should be posted by the next meeting or sooner.

How are the items going to be listed in the Trading Post Database?

The items will be listed sorted by year than domination than mint for now. If the Club Board wants it to be sorted differently, they will advise the Trading Post Keeper. If a member would like to receive an electronic copy sorted differently, the Trading Post Keeper should be able to provide an electronic copy.

How handles transaction disputes?

The club will not get in the middle of a dispute over a transaction. Transactions are handled between the buyer and sellers. The club only lists items and is not responsible in any way for the delivery, descriptions, graded, quality, availability, honesty of post... The club will not act as a mediator and does not take any responsibility for the item.

What is a listing number?

A listing number is a number that makes identifying the listing quickly and easy. You will need your listing number to remove the item from the Trading Post Database.
